Wed. 10 AM

Dearest mother & daddy:

I received your card yesterday and was very glad to hear from you. It's very cold here now.

I'm now a field soldier & getting plenty of exercise. It's really rough, especially after being in an office for about 3 years. Right?

Saw Samuel C. Goodin's name in the paper a couple of times.

That's all so write soon!

Love,
Harold
